The petition and respondent's objection
have been perused in detail.

Petitioner has claimed for compensation
for more than Rs 5,00,000/- based on a
Sale deed dated 10/11/2006 produced
by him. SLAO has already awarded
for Rs 4,02,542/- as per LAQ calculations.

The Valuation has been arrived at
by SLAO based on Sales Statistics
provided by Sub registrar. It is also
seen that from the above said sale
deed aforementioned that the valuation
is much less than what SLAO has paid.

Hence petitioner has failed to produce
any document to substantiate his
claim for enhancement. Hence I order
as below:

ORDER

Application for enhancement is hereby
rejected.
